

Volunteer at the Center of Creative Initiatives

📍 **Kaunas, Lithuania**

From 01/04/2025 to 30/09/2025

ORGANIZATION

The management and teaching staff at "Kūrybinių iniciatyvų centras" (KIC) are a diverse group of professionals with backgrounds in education, community facilitation, art, youth work, and social work. The main focus on non-formal education in the fields of photography, video, and podcast creation reflects a commitment to fostering creative skills and providing practical, experiential learning. The experiential teaching methods, specifically "learning by doing," is a powerful approach. This method engages groups of adults and youth with fewer opportunities, allowing them to participate actively in the creative process.
